Mr Fred Prosser

As Chair of the Welsh Judo Association, I am extremely proud of what we have achieved over the last four years: Restructured the Board of Directors to become a more skills based board, increasing female board members to a third of the board. Achieved preliminary and foundation levels of the Equality Standard along with a consistent green governance rating as a National Governing Body.

I have had so much pleasure out of judo after the last six decades and feel now is the time to give something back to the sport.
